Subject: Dear friend

Dear David,

Thank you for your letter. Sorry I don't answer before because I was really tired after my school.

I think that doing project is really ¹ interesting because you know something on item ² which ³ interesting for you. I do not ⁵ someone project, but I really want to do it. I think that psychology is very ⁴ interesting ⁶ item to make project. ⁷ First we need to find item and find what we want to write. After that we find information in other place. Then write ^{the} project.

What David, what ~~do~~ you do in this weekends? Maybe we go to cinema?

With love,

Algonor
