Subject: Dear friend

Hello my dear friend, I got your message. Why, yes, I like doing projects, they are fun and unique, they develop your style. The recent project I done was about the nature of the ocean. Frankly, it also had to do something with ecology. Well, I wrote a story about the condition of the ocean and a few fun facts, as well as how to minimize the damage we do to the ocean. Then, the teacher got amazed by my writing skills and I got really high grade for it. I hope you're doing well.
