~~Hello,~~ I would like to give a review of the film I saw.
 Surprisingly enough, I am ~~not really~~ a person that can be qualified as the cinema goer. I haven't watched that many films, and even if I did, they weren't that good anyways. Still, there's one film that grabbed my attention. The film's name is "Harry Potter", to be more specific "Harry Potter and The Secret Room".
 I don't know much about the actors, but from what I have heard, they were great people, quite popular too. 29
 The plot of the film is this: three main characters (Harry, Hermione and Ron) gained knowledge about the secret room in their school, being interested and seeking adventures, they decided to visit this hidden place and uncover the secrets. It was very hard to do, yet, they didn't give up and got what they wanted in the end.
 I highly recommend to watch the film, ~~as it holds a special place in my heart. You can learn some new things from the experience, one above all is being responsible and staying determined through your goal.~~
