As for me, I really love watching ^{gm.} ~~a~~ films and series. Recently I watched the film that really was very funny. Now I want to write review about it.

The film "Друг человека" was realised in 2014. This film about a dog and a little boy. Once with the boy happened an unpleasant situation. Group of bad boys wants to fight with poor boy. They was running after him. But boy's dog Jake tried to keep him and showed a lesson for bad boys. This film is a comedy. Film also has the background characters like boy's parents, the teacher and boy's friend Mark. There are not popular actors who just started their career, but amazingly played the roles. lex

I really like this film and want to recommend it to other people, because it can lift up your mood and makes you laughing! gm
